

This is the supplemental material for the paper “AINeedsPlanner: A Workbook to Support Effective Collaboration Between AI Experts and Clients” (DIS 2024).

The contents of the directory are as follows:

- **Study Folder:** a folder including the materials around the Main Study in Section 4.
 - **Study Protocol.pdf:** The protocol used when running the Main Study.
 - **Execution Preparation Document.pdf:** The execution preparation document is used by recruited AI experts, who have it reviewed through simulated discussions based on a compiled list of real-world AI application ideas.
- **AINeedsPlanner.pdf:** The AINeedsPlanner Workbook that is designed to facilitate effective collaboration between AI Experts and clients.
